

Apple Hill Orchard & Cider Mill

Field Trip Guide – Job Description

Field Trip Guide: We offer several guided tours at Apple Hill Orchard; our most common tour is our field trip. Field Trips are geared towards kindergarten – 2nd grade students. Sometimes, field trip tours will be given to preschool or even adult groups. The tour is divided into stations and, as a guide, you will learn and share about your station. When a group comes to your station, you first share a prepared speech or inform the group on how Apple Hill Orchard operates throughout the year. If the time schedule allows, you may answer questions from your groups. This job is perfect for college students interested in teaching degrees, retired teachers, substitute teachers, daycare workers, etc. A person in this position must:

- Be friendly and outgoing
- Desire to work with all ages but, specifically, elementary school age
- Be a confident and clear public speaker
- Set up and breakdown of your station
- Keep your station area clean and tidy
- Convey large amounts of information in an easy-to-understand manner
- Assist and guide visitors from station to station
- Work within a timed schedule
- Be able and prepared to work outside in all weather conditions
- Have a desire to share experiences and teach others
