

Apple Hill Orchard & Cider Mill

Farm Market Associate – Job Description

Farm Market Associate: A farm market associate does all the behind-the-scenes work for our farm market. Your tasks quickly change from one thing to another. You may be grading or sorting apples when a customer needs a curbside order delivered. You may be stocking and rotating cider in the display fridge when a cashier calls for help carrying heavy boxes. An associate's job is essential – your job helps provide support to everyone else. For this position, you must be quick on your feet and take instructions well. Your duties include:

- Greet customers
- Work independently from written instructions/list
- Stock store (requires lifting heavy items)
- Rotate items to ensure freshness
- Sort and grade apples
- Follow directions and be detail-oriented
- Maintain the store area and clean facilities
- Carry heavy items to customers' vehicles
- Transport items via hand truck from coolers to the Farm Market
- Bag items for cashiers
- Help keep all areas clean and safe
