

Apple Hill Orchard & Cider Mill

Cashier – Job Description

Cashier: As a cashier you, are often the first person to greet and welcome our visitors. You play an integral part in every visitor's experience. Our cashier positions are located in our Farm Market, our U-pick center, and in our Bakery. Cashiers often help direct customers where to go and provide information on what to do. Cashiers not only ring up transactions but, more importantly, cashiers serve as an information center. As a cashier, you must:

- Warmly welcome everyone
- Be friendly and approachable and comfortable with speaking to our guests
- Give customers important information specific to your location: U-pick, Farm Market, or Bakery
- Explain pricing structures and directions
- Operate cash register and credit card machine
- Calculate change correctly while keeping a clean and tidy cash drawer
- Operate slushie machines and prepare small orders such as coffee or cider cups, depending on your location
- Stock store as needed
- Offer assistance to customers - may include lifting and carrying heavy items
- Clean work space and customer areas as needed
- Thank customers for their visit
- Share future events or incoming fruits - Invite them to tell their friends and come again
